## **New Service Announcement** **ATLANTIC - NORTH SERVICE 2 (AN2)**

**Dear Valued Customers,**

We are pleased to announce a new service connecting the **US Gulf to East Coast South America** to enhance our network in Latin America, starting at the end of **July 2024**.

This new service will complement our existing **ANSG Service**, and will allow multiple connections to the broader, global ONE service network: Asia (via Cartagena), Central America, West Coast South America, US East and West Coasts.
