## **Notice of Surcharge Update**

### *Manaus Port and Porto Velho*

**Dear Valued Customers,**

As an update to our previous [Manaus Port Surcharge Advisory](#) dated July 18, 2024, due to the continued worsening of navigation conditions on the Amazon River, ONE has increased our LWS tariff as per below:

This update applies to/from Brazil (Manaus Port and \*new\* Porto Velho) across all trade lanes and services and will be valid till further notice.

Surcharge Code	Low Water Surcharge (LWS)
To/From	Brazil (Manaus Port and Porto Velho)
Quantum	USD 4400 per container*  *Charge is collected for imports to Manaus Port and Porto Velho and prepaid for exports from Manaus Port and Porto Velho.
Effective Date	November 03, 2024

Should you have any questions, please contact your local ONE representative.

**Sincerely,**  
**Ocean Network Express (North America) Inc.**
