## Demurrage Free Receive Date

### To Our Valued Business Partners,

We are pleased to announce that we have deployed our new web-based DFRD (Demurrage Free Receive Date) Query for US and CA export sailings.

Demurrage Free Receive Date (DFRD) date is the first date that you may tender an export container without incurring ONE demurrage. The DFRD Query will provide you this date based on ONE Rules & Tariff. The calculation of billable Demurrage is based on vessel ETA at the time of container in gate.
