Updated Florida Latin Express (FLX) Service Expanding Coverage to Include the US East Coast

Dear Valued Customers,

ONE is pleased to announce changes to the Florida Latin Express (FLX) service. In addition to Port Everglades, the FLX service will add calls to Philadelphia, New York and Norfolk in the United States. In Latin America, new calls will be made to San Antonio, Chile and Buenaventura, Colombia.

The changes will take place beginning with the AS ANNE 2194S (starting US calls Jan 27). For more details, please see the charts below.

To ensure coverage as these changes go into effect, the CONTSHIP FOX 006S and LANGENESS 005S will continue to provide service between the US East Coast and Cartagena.

New Port Rotation: (Please note: new ports of call are in red):

Port Everglades - Philadelphia - New York - Norfolk - Cartagena - Buenaventura - Guayaquil - San Antonio - Callao - Cartagena - Port Everglades

*Puerto Cortes and Paita are no longer direct calls on the FLX, but both ports will be covered by other services (CX2/GPX) via transshipment.

First Vessel with New Rotation:

| Vessel Name and Voyage | ETA | | | | | | | | |
|------------------------|-----------------|--------------|----------|---------|-----------|--------------|-----------|--------|-------------|
