Notice on OICT Extended Gate Fee
US Export Rail Cargo Only

Dear Valued Customers,

With immediate effect, ONE will guarantee OICT's (Oakland International Container Terminal) extended gate fees for all US export cargo moving via rail. All other movements, carrier or merchant, will need to make payments or guarantees directly to OICT.

If you have any immediate concerns or require additional information, please contact your sales account representative or our Cargo Management Teams.

Sincerely,
Ocean Network Express (North America) Inc.
