MAREX - NYK Joanna 0186W
Los Angeles Omission

Dear Valued Customers,

This is to inform you that the NYK Joanna 0186W, on our MAREX service, has encountered severe delays at Manzanillo, MX. To maintain schedule integrity, we will omit Los Angeles.

Import cargo for Los Angeles will be discharged at Manzanillo to connect to NYK Laura 0643W.

Export cargo that was intended for NYK Joanna will be rolled to the next MAREX vessel NYK Laura 0643W.

Our dedicated cargo management team is currently reviewing all impacted cargo and will provide updated booking information directly to our affected customers.

If you have any questions or require additional information, please contact your sales account representative or our Cargo Management Teams.

Sincerely,
Ocean Network Express (North America) Inc.
