Dear Valued ONE Customer,

PNW – Diversion of vessels to Seattle.

Kindly be informed that the following vessels shall omit Tacoma and divert to Seattle for discharge and load operation. This diversion is expected to mitigate the delays due to the long waiting time at Tacoma. Kindly refer to below for the cargo arrangement:

- Local Tacoma cargo: Customers are expected to pick up/drop off directly at Seattle T18 Terminal.
- Inland cargo via Tacoma gateway: Inland cargo shall be railed via Seattle gateway instead of Tacoma gateway. Customers can expect to pick up at the same final delivery point without change.
