Tacoma Port and Rail Congestion

Dear Valued Customers,

The Port of Tacoma terminals are experiencing severe import rail congestion, which is impacting vessel operations. We are actively working with our rail partners to resolve the congestion, which will impact vessel schedules in the coming weeks. Please see below for a summary of ONE recovery actions.

Service	Vessel	Recovery Action
PN1	ONE MAESTRO 074E/074W	Change of Rotation: Call Vancouver before Tacoma
