Notice of Surcharge Update
Carbon Tax Charge (BCT)

Dear Valued Customer,

Please be advised that effective **January 15th**, ONE will update the Carbon Tax Charge (BCT). This charge applies to all containers loading or discharging at Canadian ports across all trade lanes.

Applicable Charge:

Carbon Tax Charge (BCT)			
POR/DEL	POL/POD	Per container (current)	Per container (effective Jan 15)
Canada	Canada	USD 70	USD 75
United States	Canada	USD 50	USD 55

Effective Date:

For all trades

January 15, 2025

Please note this charge remains separate and may be combined with the Port Emissions Fee (PEF) where applicable.

We would like to take this opportunity to thank you for supporting ONE and we look forward to continuously serving your global transportation needs.

Should you have any questions, please do not hesitate to contact your ONE representative.

Sincerely,

Ocean Network Express (North America) Inc.
