Type of Activity:

Donation

ONE Donated Containers for Disaster Management Exercise in Thailand

The Bangkok Metropolitan Administration (BMA) held a disaster management exercise for earthquake and collapsed buildings. As a Corporate Social Responsibility (CSR) activity, Ocean Network Express (ONE) Thailand contributed 4 containers in the stimulation of the collapse of a 3-story building.

This exercise demonstrated the steps that need to be taken by responders when a building collapse. This included *establishing an Incident Command Centre, how to treat victims, how to fight fires in high-rise buildings and what to do if there's a chemical leak*. These drills were invaluable for many departments such as Office of Disaster Prevention and Mitigation, Medical Service Office, Department of Public Works and 130 people from other related external departments.

ONE Thailand recognized the importance of preparation for such disastrous events and provided the containers as props for this simulation exercise. As a token of their gratitude, Mr. Sakonthee Pathhippayakul, Lieutenant Governor of BMA awarded a ceremonial clock to Mr. Surasak Thienbunlertrat, Director of Ocean Network Express (Thailand) Ltd.

This donation is just one of the many CSR initiatives that ONE Thailand is undertaking. ONE Thailand is planning to be continuously involved in further CSR activities in the future.
